

General Recreation Program Registration Form

Thank you for your interest in our recreation program.

If you would like to register and pay in person, you can come directly to our office and our Customer Care Team can process your registration.

Also, you can complete this form, print a copy, and bring it with your payment to our Administration Office ([1024 Hurlwood Lane](#)) during regular business hours (Monday to Friday 8:30 a.m. to 4:30 p.m.).

If you cannot access our Office during business hours, you can drop your cash or cheque payment in our after-hours drop box located outside our front door.

Each participant requires a separate registration form.

Payment options

You can pay for program registration in person using cash, debit, cheque, Mastercard, Visa, or Visa debit (we do not accept credit cards other than Mastercard or Visa). We do not accept Mastercard debit.

If you choose to pay in person using Mastercard, Visa, or Visa debit a two percent fee will be applied to your purchase. The Township is required to pay a merchant fee (surcharge) to cover the cost of processing each credit card transaction. This fee is applied as a cost-recovery measure to only those transactions that are paid by credit card, and not to other forms of payment.

Please select the Program Fee that applies to you or the participant. If you are registering for the children's arts and crafts program, please enter the child's name as the participant. *
